

## BIO 2018 – Boston, USA

<b>Event</b>	<b>2018 BIO</b> International Convention
<b>Date</b>	Mon 04 June until Thu 07 June 2018
<b>Located</b>	The Boston Convention and Exhibition Center, (BCEC), Boston, Ma, USA

### Conference location

About a decade ago Boston built a vast new conference facility in the South Boston Waterfront District. These are the old docks to the south east of the Financial District. It would be fair to say that the area is still in transition and in the immediate area there is little infrastructure presently in place. Apart from the massive exhibition halls there only a few hotels and a handful of cafes and restaurants in the immediate area. Downtown Boston is about 10 mins by taxi, you can easily see the Financial District from the BCEC and it is possible to walk, but it is not a pleasant one.

### Hotels

There are presently still hotels available, but they are expensive at around USD\$400-500/ night + tax. We would be happy to check out availability for you in The Back Bay, Financial District or The Seaport.

### Flights

Here is a guide to flights into Boston Logan Airport, from Heathrow, Gatwick and Stansted. Note- most discount air fares require you to stay over a Saturday night, which can be awkward as BIO is a midweek conference. Not staying a Saturday can often double the price. We have ways around this, but subject to availability, so if you are interested in a short trip, then you need to contact us as soon as possible. We can usually hold provisional bookings for up to 72 hours. \* times vary and some are not daily services
